

Information for parents and swimmers

Paul Kent Memorial swim meet, Levin

Saturday 12th November 2011.

36 PCA swimmers are entered in the Paul Kent Memorial swim meet in Levin on Saturday 12th November 2011.

32 swimmers and 3 team managers will be travelling to this meet by bus.

Four swimmers aged under 9 have entered the meet. (Emilee Wilkinson, Lily-Anne Meyler, Tom Gibbs and Ethan-Jack Crawford). As stated in the earlier notices, only children aged 9 and over can travel on the bus so these swimmers must travel with their parents to this meet.

Parents and supporters are welcome to attend the meet but unfortunately due to the numbers entered, they will have to make their own way as the bus is full. There is limited seating at this pool so it is a good idea for spectators to bring along their own fold out seat.

Parents please note:

1. All swimmers are under the supervision of the team managers and must follow their instructions for the duration of this trip.

Can all parents email me their cell phone number please.

This is needed just in case we have to get in touch with you.

As the timetable shows we do not know the exact time that we will be returning. Most children have a cell phone and will be able to contact their parents while we are on our way back. For those that don't have a cellphone, their parents will be able to contact either of the managers by cellphone to get an estimated arrival at Paremata Railway Stn.

PCA have been asked to supply 2 timekeepers for this meet. If you can assist, please let me know.

Code of conduct form:

This form must be filled out prior to coming on any away trip with the club. The forms are located on the notice boards at both pools. Please fill it in and place into the race secretary's box at either pool.

If you have any queries/concerns etc, please call or email me.

Kind regards

Terry Laws
