#### Hugh Campbell

A Raumati Swimming Club member who was a talented 200 Breastroker had an accident in 2007 whilst diving into the sea at Oriental Bay when he was aged only 16. As a result of this accident, Hugh is now a tetraplegic without the use of his arms and legs. Hugh is an amazing young man who fights to prevent his injury dictating his life and as a result he is now living away from home, attending University and participating in sporting activities in his wheelchair. This carnival is a small way that our club can continue to help Hugh. Your support of his benefit events will be greatly appreciated.
